

# Citrawash.

All natural detergent for front loading and top loading washing machines.  
Contains no phosphates, no chlorine.

**Citrawash** is a non petroleum based detergent that is highly biodegradable, effective and easy to use.

It will leave your clothes feeling softer and smelling fresher, with a clean citrus aroma.

**Citrawash** is low foaming, so is suitable for front loading machines but is also effective in top loading machines.

**Citrawash** can be used as a pre wash spotter when diluted 1 to 5 parts water. For grease and oily stains **Orange Solv** is a most effective spotter.

**Usage Rate:**

20-25 mls per load in front loading machines. Top loaders will vary depending on their size.

**Citrawash** contains no phosphates or harsh chemicals and is highly biodegradable. It has a natural citrus fragrance and contains no artificial colours, preservatives or perfume.
