

FOAMEX

Carpet foam breaker concentrate.

Description:

An oily type de-foamer that is uniquely formulated to cling to internal hose surfaces & machinery recovery tanks to provide a long lasting & economical de-foaming effect.

Applications:

For use in hot water extraction, dry foam extraction, wet pick up vacuum cleaners, automatic scrubber recovery / waste tanks, or wherever foam is a problem.

Directions:

Normal foam: Dilute foamex with equal parts water & spray into recovery tank, or dose into vacuum recovery hose if applicable.

Heavy Foam: Use undiluted.

Always shake container prior to use as foamex separates on standing.

First Aid:

Skin: remove contaminated clothing. Flush skin with water.

Eyes: flush with water for 15 minutes. Seek medical advice.

Inhalation: move to fresh air.

Not considered hazardous according to the criteria of Worksafe Australia.
