

GEL SOLV

WITH THE POWER OF D-LIMONENE

NON-TOXIC WATER-SOLUBLE GREASE, PAINT, INK
AND GUM REMOVER

GEL SOLV is a high performance multi-purpose solvent for the removal of oily or tar like stains from carpet. Most inks, paints, chewing gum, latex and even graffiti can easily be removed with GEL SOLV. Due to its non toxic formulation, even baked on carbon and fat deposits from cooking equipment can be removed with ease.

Directions for Use

Carpet

Apply with spatula or cloth to cover whole area of chewing gum or paint. Agitate, leave for 5 minutes then scrape off and Rinse thoroughly with fresh water.

Hard Surfaces

Apply by brush or cloth to cover entire area, leave for 5 minutes then agitate with stiff brush and wipe off excess before rinsing with fresh water

Important

Always test surface compatibility prior to use in an inconspicuous area.
