

GREASE RELEASE

GREASE, INK AND PAINT REMOVER
CONTAINS 94% ALIPHATIC & AROMATIC HYDROCARBON

Grease Release is a high performance multi-purpose free rinsing spotter for removing oily or tar like stains from carpet and clothing prior to extraction, rotary shampooing or laundering. Some inks, most paints, chewing gum and latex adhesive are softened by Grease Release allowing them to be scraped up. No carpet cleaner or commercial laundry can do without the time saving offered.

Directions

Carpet:

Apply full strength by lightly spraying or swabbing "work" stain from edge towards the centre to loosen. Blot up loosened stain with toweling. Rinse and blot or extract.

Pen Graffiti:

Test in inconspicuous area to ensure surface compatibility.
Spray on an immediately agitate with cloth or brush and wipe off.

Clothing:

Prior to laundering spray collars, cuffs, grease and ink stains then launder in the normal manner.

Important - ALWAYS TEST FIBRE COMPATIBILITY PRIOR TO USE.

First Aid Instructions:

If swallowed seek medical advice. Do not induce vomiting. Give a glass of water. Remove contaminated clothing and wash skin thoroughly. If in eyes, hold eyelids open, flush with water for 15 minutes. Avoid breathing vapour.
